

New York Stock Market

New York, N. Y., October 15.—Taking its cue from abroad, where all Bourses were strong as a result of support rendered by substantial increase in the stock market here opened active and almost buoyant. Gains of one to two points were numerous in the first hour, these being extended in some instances at mid-day, when interest centered largely in the metal issues and tobacco specialties.

In the final hour, however, a selling movement of considerable proportions wiped out the greater part of the early gains, and the market closed with an irregular undertone. The setback coincided with reports from Chicago that the wound suffered by Colonel Roosevelt was a serious one.

The better showing of our securities and other foreign centers was followed by some buying, but this was more than neutralized by local realizing for profits.

Respecting the situation in Eastern Europe, international banking houses were in receipt of cables to the effect that negotiations were pending which are likely to produce favorable results before the end of the week. Money was more abundant in this market.

Bonds firm, but without special feature. Total sales, par value, \$2,050,000. U. S. government bonds were unchanged. Total sales to-day, 514,000 shares.

New York, October 15.—Money on call firm, 1/2-3/4; closing bid, 1/2-3/4; offered, 1/2-3/4. Time loans firm, six days, 1/2-3/4; ninety days, 1/2-3/4; six months, 1/2-3/4. Prime mercantile paper, 6 per cent. Sterling exchange firm, with actual business in bankers' bills at \$4.85 for sixty day bills and at \$4.85 for demand. Commercial bills, \$4.81-4.4. Bar silver, \$1.14. Mexican dollars, 48-54. Government bonds steady. Railroad bonds firm.
